*Who Killed Che?
How the CIA Got Away
with Murder***

“Ratner and Smith cut through the lies and distortions to provide a riveting and thoroughly documented history of the murder of Che Guevara. In an era when ‘targeted assassinations’ and ‘capture and kill operations’ have become routine, and are routinely glorified by the mainstream U.S. press, their examination of the U.S. role in Che Guevara’s death could not be more timely.” — Amy Goodman, *Democracy Now!*
